

We gratefully acknowledge the generosity of the 500+ donors listed below who responded to a singer or staff member's *It's MYChoir* appeal in the spring of 2020. Over \$23,000 was raised through this campaign, which encourages our singers (and staff) to share their MYC story with friends and family. Because tuition alone covers less than half the total cost of our program, the fundraising efforts of our families are key to keeping MYC financially healthy and accessible to all.
