

2019/20 Annual Report

During a year like no other, our singers packed an extraordinary number of accomplishments into the wonderful time we were able to spend together in-person from September through March. Here's a small glimpse into our 2019-2020 season with these outstanding young artists.

- While studying our fall "Vision 2020" theme, singers explored works by Caroline Shaw, Arne Mellnas, Benjamin Britten, and Maddelena Casulana, discovering the multifaceted ways that artists cast an original vision and how composers have pushed musical boundaries to illuminate ideas ahead of their time.
- Following our final rehearsals at Westgate Studios, which served as MYC's home for so many years, singers wrote thoughtful messages of thanks (with permission!), reflecting on all they had learned within those walls.
- Our 7-10 year old singers from Choraliers showed poise and focus while performing "Ombra Mai Fu" as the opening act of the Handel Aria Competition's High School Singers Showcase in January 2020.
- Several MYC ensembles had the pleasure of performing alongside outstanding professional musicians from Madison Symphony Orchestra and Madison Choral Project, inspiring us to marvel at the magnitude of our local talent.
- With the dawn of the new year, we were thrilled to finally give our families a comfortable gathering place to connect and revel in the music during rehearsals at Christ Presbyterian Church.
